Export Packaging

“We continuously update our logistics and supply chain mechanisms for export order execution. We have very close follow-up on quality and manual check on quantity. Packing of granite material is done as per buyer's requirement. The standard practice is seaworthy wooden pallets with polyethylene sheets for slabs and corrugated seaworthy wooden crates with polythene sheets and thermo-cool and cut-to-size orders for tiles. Logistics part is 20 feet heavy duty container for foreign consignment and it is heavy body open roof lorry for domestic trade. We have proper standard packing, crating, stuffing and dispatch of cargo thereby ensuring the safety of the material in transit from our manufacturing unit to buyer's warehouse.

Packaging Details:

- (i) Cut To Size In Wooden Box Packing And Slabs As Per Client Choice
- (ii) International Standard Wooden Packing
- (iii) Strong seaworthy wooden crates or wooden bundles
